

Public Notice DSPD Private Support Coordination (SCE) Contract Format Change

The Utah Division of Services for People with Disabilities invites you to attend any of three informational meetings on the Division's intent to combine the current Support Coordination-External contract and related SCE process standards into one combined document format. Meetings scheduled are September 19th 10 am to noon in the DSBVI (SLC Blind Center) 250 N 1950 W, multi-purpose room, and September 21st 4 pm to 6 pm at 195 N 1950 W in the SLC MASOB Room 1020A, and October 15th 10 am to noon in the DHS/DSPD Provo office, 150 E Center Street, Suite 5100. Background: The current Division contract (in effect to 6/30/2014) results from the Department of Human Services Request for Proposal DHS90514 found on the web at [BIDSYNC](#) and the current Division support coordination standards are found on the Division web site <http://www.dspd.utah.gov/> at linc: "New Support Coordinator Standards – Effective 7/1/11". The purpose of these meetings is to inform about the document improvement effort, provide access to our 1st draft of a single combined contract document found on the Division web site <http://www.dspd.utah.gov/> at linc: "SCE-Draft Combined Scope of Work 8-24-12", and to allow comments by the public in preparation for the periodic update of this service and contract/standards. DSPD anticipates a single contract document to result in greater contract clarity and ease in use and does not anticipate an increase in annual expenditures to result from this change. Individuals wishing to attend these meetings and who require special accommodations may contact Becky at 801-538-4189. Written comments are also welcome by sending to cabee@utah.gov.
